ILLINOIS EQUAL JUSTICE FOUNDATION 25TH ANNIVERSARY CAMPAIGN

★ IEJF.ORG/25YEARS

FUNDER. ADVOCATE. CATALYST.

For the past 25 years, the Illinois Equal Justice Foundation has powered Illinois' legal aid system and responded to the most urgent civil legal needs of low-income communities.

Under the 20-year tutelage of executive director Leslie Corbett, the IEJF has grown from overseeing a half-million-dollar state appropriation to distributing more than \$10 million in annual civil legal aid funding to nonprofit organizations.

Whether it's helping the State through the COVID-19 eviction crisis or developing the nation's first cannabis expungement network, the IEJF has enabled legal aid organizations to deliver justice for people struggling across Illinois.
